Reconstruction Project on Illinois 132 from Ferndale Street to Estes Street

CHICAGO – The Illinois Department of Transportation (IDOT) announced that lane closures will take place on Illinois 132 between Ferndale Street and Estes Street, in Gurnee, beginning, weather permitting, Monday, April 24. The closures are necessary for a pavement reconstruction project.

In order to complete the work, westbound traffic on Illinois 132 will be reduced to one lane between Ferndale Street and Estes Street during daytime hours Monday through Friday.

The scope of the project includes pavement reconstruction, patching, storm sewer improvements and new concrete and gutter. The reconstruction project is expected to be completed in Fall 2017.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
